

VCDL Federal Candidate Survey Grades

US House of Representatives

Last Updated: May 31, 2022

If any of the candidates in your district have not responded to the survey, contact them and urge them to complete the VCDL survey and send it in. If they are afraid to take a public stand on these issues now, before the election, then they are unlikely to be very responsive to your views after the election.

There is absolutely NO reason why they should not answer this survey!

Failure to return a completed survey frequently indicates indifference, if not outright hostility, toward the Right to Keep and Bear Arms.
