

IIUSA Rate Card

Events | Publications | Reports

IIUSA's publications and education platforms can give your organization significant exposure to the entire EB-5 community. In fact, IIUSA's website attracts more than 1,600 monthly active users, our weekly newsletters reach over 10,000 EB-5 stakeholders, and IIUSA's Regional Center Business Journal is read by thousands of EB-5 professionals. To highlight these opportunities, this year the association created a 2023 rate card to simplify your marketing decisions. We invite all members and Allied Partners to review and take advantage of these marketing and branding opportunities. For questions, send an email to info@iiusa.org or call (202) 795-9667.
